

Greetings from the Mayors office,

February 12,2018

The Village Board and clerk are in the middle of contract negotiations and formulating a 2018-2019 village budget. The DPW has been doing a great job keeping up with snow removal on roads and sidewalks. Please keep in mind the crews ability to clear the streets is compromised when vehicles are parked on the sides of the street overnite. The Fire Dept has been very busy as well with numerous calls in the last few months.

A reminder Village elections will be held March 20 at the Municipal Building . Two Trustee positions are open and several individuals have expressed an interest in running .

The Board meets the 3rd Tuesday of each month at 6pm if you have concerns you want to discuss. Enjoy the rest of what winter has to offer.

Tim Levison , Mayor
