

Happy Spring (snowing March 24 2017!!)

Thank you for cooperating with DPW during our unusual winter plowing season. A few tickets were written but overall things are going well. We are in the process of replacing one of the wells in our water system. This should be complete within the next month.

March 31,2017 is our clerk Sue Bartlett's last day as clerk as she will be retiring after 26 years of dedicated service!!Interestingly her mother Elaine Bartlett had served as Village Clerk for the previous 32 years. The Village Board has proclaimed March 31,2017 as Bartlett Family Day in the village. Please stop in and wish her luck in her retirement. She has agreed to stay on for a while until the new clerk Nancy Berger gets settled in.

Although I do not have regular office hours I'm usually here in the mornings between 9 and 11 please stop by if you have questions or concerns or are just in the neighborhood.

Sincerely, Tim Levison,Mayor
