

Good morning,

We recently held our November Board meeting on Nov. 7. It was postponed for a week due to the untimely death of Tunk Bartlett a lifetime resident of Norwood and the father of our Village Clerk.

The annual Holiday Festival will be held December 3rd with a parade down Main St and festivities in the park. I would like to thank in advance the people at the Norwood Diner for undertaking this venture.

Its been business as usual for the PD DPW and FD. Another reminder please do not block sidewalks or roadways with your vehicle. We do not want to ticket or tow any vehicles but will have to if it becomes a safety issue.

We have recently purchased fencing which will placed around the old elementary school to hopefully prevent further vandalism and minimize the risk of an injury. The village is currently seeking funding to demolish whats left of the school, unfortunately it is a time consuming process.

The national and local elections are over and it is time to unite our country! God Bless America

Tim Levison, Mayor
